## **A Note from your Editor**

**URGENT ! Distributors still required for  
Burton Village—Please contact the Editor!!!**

*Hello!*

*And welcome to a New Year and a New Decade!*

*With a new year we also have a number of new advertisers too. On **page 3** you will find **Annabels Blinds**. Go to **page 15** for **Powells Leagal Consultancy** especially to everyone who has just moved into our Villages, don't forget **The Lincolnshire Fryer on page 4**.*

*My thanks to Walter Robinson for the stunning cover photo he took in Scampton while taking Bomber for a walk one evening. We have had some particularly wet weather so far this winter, but just occasionally, we have also experienced some memorable sunrises and sunsets too.*

*The Venture relies heavily on volunteers and I am profoundly grateful for the way each month they sort and distribute your magazine. Without them this magazine would certainly not exist. Is there anyone out there with a new year's resolution to get fit? Well how about spending just a couple of hours 10 times a year to distribute your magazine. Its certainly going to be cheaper than a new membership at the Gym.*

*As usual, I have had the rewarding and challenging job of editing your magazine this month, seeing more new advertisers buying space as well as making sure there is space for all your regular village news and events. Could I please ask all village and event contributors to make certain they adjust their page size to A5 before they start to compile their news and please aim to be as concise as you can. Then there will be space for everyone!*

**Bill Shaw**

*You can also find a copy of the magazine every month at the Brattleby website.*

**Items appearing in this magazine are accepted in good faith and do not necessarily reflect the opinions or views of the Committee or the Editor.**

**The content and format of the magazine shall be at the absolute discretion of the Editor,**

**Whose decision shall be final . e-mail: [village.venture@gmail.com](mailto:village.venture@gmail.com)**

# Venture Island Discs

Hello, I'm Tina and I live at Walnut House in Ingham with Rob and our 9 year old dog. For decades I've worked with vulnerable age groups including teenagers in a residential rehabilitation centre for substance misuse. I look upon music as a time to reflect both good times and sad. These are eight of my favourite tracks:

**Stone Roses – Fools Gold** Love this song by this northern band from Manchester with its funky attitude and the use of the Wah-Wah pedal. The lyrics are almost whispered, such a good song.

**Depeche Mode – Personal Jesus** - Formed in the mid 1980's they created an alternative synth pop sound. The drum beat is stomping. Johnny Cash covered this track in a gospel style which still works well. 'Someone to hear your prayers, someone who cares...'

**Kraftwerk – Computer Love** - Released in 1981 by this German Electronic band and went to No1 in the UK chart. This song is about the rise of computers in our society, it's almost hypnotic.

**Radiohead – Creep** - Thom Yorke the singer wrote this while at Exeter University about a girl he liked at the time. The song is quite mournful but I guess it's about recognising who you are and not fitting into a box

**The Smiths – There is a light that never goes out** - Released in 1992 this was the Smiths' comeback record, inspired by James Dean's character in 'Rebel without a Cause'. A perfect balance between Johnny Marr's musical skills and Morrissey's lyrics and voice

**New Order – Blue Monday** - The longest song I've ever heard but the drum machine and synthesiser make this an incredible track. Released three years after the death of Joy Division's singer, Ian Curtis, it was influenced by new music tech electronica

**The Cure – A Forest** - I don't always listen to The Cure but when I play this it's played again and again. Just love it

**Fleetwood Mac – The Chain** - To me this song is about resilience. The whole band had an input into this song and I enjoy its melody. Sometimes in life you can be in the middle of nowhere and this is when you find your own resilience

I'd have to take 2 books away with me:

**Terrifying Tales** by Edgar Allan Poe. He had a knack of getting into your head and tapping into your fear. Spine tingling.

**The Shining** by Stephen King which is also one of my favourite films by Stanley Kubrick.

My luxury item has to be a king size bed complete with duvet and soft pillows. I'll be hungry and bored on the island but I'll have a great night's sleep.

**Village Island Discs is open to anyone.**

**If you would like to choose your selection,**

**Please call John Woolley on 01522 731574 or e mail [johnanthonywoolley@gmail.com](mailto:johnanthonywoolley@gmail.com)**

*We were sorry to read that our puppy Mia is offending people by protecting her boundary by barking and running along the fence.*

*She is only 11 months old and still learning.*

*Hopefully the person who complained has noticed that Mia now goes out on a lead at all times to do her business in the garden and is not left to bark at people passing her boundary this is very limiting for her but if it makes the person who made the complaint happy then so be it.*

*I would just like to say that her barking and running up and down wasn't seen as a worry when she spotted youths on top of the porta loo in the church grounds and sent them running.*

*Please if you have a problem with our dog come and tell us the owners not the Parish Council, they can't help you we can.*

*People are quick to blame but not to praise.*

*We hope you all had a very Happy Christmas and a Prosperous New Year.*

*Kay & Mal Shields, 3 High Street, Scampton*

*Ann Brooks would like to thank Lesley Wolsey and Jan Blackburne for the work that they put into the flowers around the Brattleby signs and the tubs of flowers at the end of Back Lane. They so enhance the look of the village, and have been a great pleasure to see all through the year.*

## ***FRESH from ALISON'S "NEW KITCHEN"***

### **Ingredients:**

1 tbsp olive oil  
8 chicken pieces such as breasts, thighs or drumsticks  
1 onion, finely sliced    2 garlic cloves, crushed  
2 celery sticks, thickly sliced    2 carrots, cut into 2cm (¾ inch) chunks  
2 leeks, cut into 2cm (¾ inch) chunks  
600g (1lb 6oz) potatoes, peeled and cut into large chunks  
1 level tbsp plain flour    600 ml (1 pint) hot chicken stock  
2 rosemary sprigs    Half a lemon

### **Chicken Casserole**

Most, if not all, of these ingredients should be available from Ingham Village Mini-Market (where the proprietor may offer incredible discounts if you mention Alison by name).

### **Method:**

*Heat oil in a large, flameproof casserole. Season chicken pieces and brown all over for 10min. Remove and set aside. Drain fat from the pan. Pour just 1 tsp oil back in to the pan and discard the rest. Preheat oven to 200oC (180oC fan oven) mark 6.*

*Add the onion, garlic, celery, carrots, leeks and potatoes to the pan, and cook, stirring, for 5-10 mins. Stir in the flour, cook for 2min, then pour in the stock. Season well, then return the browned chicken to the pan. Add the rosemary, squeeze over the juice from the lemon half and pop the squeezed lemon half into the pan. Cover and bring the casserole to the boil.*

*Cook in the oven for 25-30min until the chicken is cooked through and the sauce is piping hot and thickened.*

Our more astute readers will observe that rather than referring to Alison's Kitchen, we have headed this page as Alison's New Kitchen. The reason for restyling this particular article is that the home of fine cuisine has relocated. It is now situated elsewhere in Ingham village and boasts top of the range cookery equipment. Alison and her ever-charming husband have assured us that the new premises were carefully checked out (and cleansed) before the relocation took place. Normal service will continue as before.

## **SCAMPTON PARISH COUNCIL**

At the meeting held on Thursday 5<sup>th</sup> December the following matters were discussed:

**Matters raised by the public** – Mr Ulyat, who was not able to be present had asked about the batteries/solar panels for the speed sign indicators, which were not holding their charge. It was reiterated that he had the Council's approval to buy what ever was necessary to sort the problem out. He should keep the Clerk informed.

**Bus Shelter** – The new waste bin had been purchased and was awaiting installation. We were still waiting for a reply from WLDC regarding the supply of a new dog waste bin.

**Closure of RAF Scampton** – There is still nothing official to report.

**VE Day 75<sup>th</sup> Anniversary** – Prior to this meeting the celebration committee met and the following matters were discussed:

Funding was proving to be a problem due to the amounts in the PC and church accounts, although much of the money was ringfenced. Cllr Sneath would apply but it could be 16 – 18 weeks before we hear if we were successful.

The possibility of resurrecting the Community Account held in the name of ROSE would be investigated.

The Dambusters would apply for the Temporary Events Notice and set up the bar for us.

Barbara would contact Graham Roy regarding the provision of First Aid cover for the evening event, we could provide cover for the children's event.

We would ask if the school could organise the races for the children.

Chris Kenny offered to be anchor for the street party.

We would ask Chris Kenny and Bill Shaw to design some posters for the next meeting emphasising the bringing of the community together.

The next meeting of this committee will be on Wednesday 8th January at 7.00pm in the Dambusters Inn.

**Christmas Tree Lights** - Neil Haire was thanked for helping Cllr Stead put up the Christmas Lights. It was felt that, for the first time the event had been held, the official turning on of the lights went very well. There were about forty people present. The hot chocolate and mince pies had gone down well, as it was a wet, chilly evening. It was agreed unanimously agreed that the surplus mince pies be donated to the church for their carol service and to the school for their Christmas Fayre. Everyone who supported the event was thanked.

**District Councillor's report** – Cllr Patterson reminded people to make nominations for the Community Awards and he reported that the building of the crematorium in Lee was coming on well and they had resourced biodegradable caskets.

### **Correspondence**

Parish Grass cutting contract with LCC has been renewed for next year.

The lamp post inventory has been updated by Western Power and the information passed to our suppliers, who had reduced the monthly charges.

We have received a request to support the Local Electricity Bill, Cllr Plews would look at the proposal.

Request for any update to the entry for Scampton in the Central Lincolnshire Plan – the PC was happy with it as it stands.

Call Connect Christmas Timetable.

Green Grass Contracting sent in their quote for next year. It was proposed by Cllr Plews, that in view of the good service received from Green Grass in the past that they be awarded the contract for next year. It was seconded by Cllr Sneath and agreed

## LETTER FROM THE PARISH PRIEST

### *2020 – A New Year, harbinger of new things!*

The New Year seems to be “new” in so many ways. Nationally, the elections are behind us and the new government has already set to work. Of special note is the date 31<sup>st</sup> of January when Great Britain will leave the European Union after over 45 years of close partnership.

In the Parish, the New Year started with the visitation of Bishop David Court, Acting Bishop of Lincoln, on 7<sup>th</sup> January and a well attended Visitation Service on 12<sup>th</sup> January at St Cuthbert's Church Brattleby. Another event of significance is the new Springline Parish website. Please log on to [www.springlineparish.com](http://www.springlineparish.com). It is hoped that the new website will grow and improve like a living organism gradually. Your support will be much appreciated.

We are also planning something special at the Southern most part of the Parish. The annual Parish Lent Course will be held at Quayside Café Burton Waters starting on Tuesday 3<sup>rd</sup> March and every Tuesday till 31<sup>st</sup> March. The course entitled “*Hot Potatoes for Lent*” will deal with *hard questions about God, life, death, suffering, religions etc.* The course will be led by Revd John Leach, *Growing Disciples Officer*, Diocese of Lincoln.

Crowdfunding has generated excellent response for the RAF Stained Glass Window at Scampton Church. A huge achievement indeed by the Scampton Church Family! Do log on to [www.scamptonchurch.org/raf-stained-glass-sindow/](http://www.scamptonchurch.org/raf-stained-glass-sindow/) for further information. Fabulous New Year news for Scampton Church and the Springline Parish! Also Ingham, Burton and Brattleby churches are on course to make the church buildings user-friendly for our communities.

All in all, 2020 promises to be a harbinger of new things! Do take special note also of the *Prayer and Healing Service at Scampton church on 2<sup>nd</sup> February*, a unique opportunity for you to receive very personal and caring ministry of prayer, a listening ear, anointing with holy oil, laying on of hands for God's blessings!

As I love to repeat, the Springline Parish exists for you. We have lots of ideas and plans. But like Nature, it'll take time to grow organically into a caring, cohesive, Parish Community. *May God bless us all and may 2020 be happy and grace-filled for you and your dear ones!*

Your friend,

*Father Sebastian |*

# Spotlight on ...

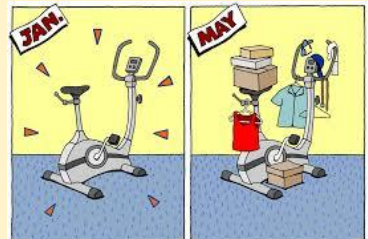

Another year has passed, and we have entered a new Decade, I'm sure many of us gave some thought to changes we would like to make to our lives starting in 2020.

Every year, millions of people make

New Year's resolutions, hoping to spark positive change. The recurring themes each year include a more active approach to health and fitness, improved finances, and learning new things for personal and professional development. Chances are, more than a couple of the top 10 most common resolutions will look familiar to you:

Lose weight

Exercise more

Get organized

Learn a new skill or hobby

Live life to the fullest

Save more money / spend less money

Quit smoking

Spend more time with family and friends

Travel more

Read more

*The 19th January is called Quitters Day as this is the date most people are likely to give up on their resolution. Recent study shows 26% quit within 2 weeks of starting and only 19% of people actually achieve their goals.*

### *How to keep your resolution*

*You don't have to start it on 1st January, begin when you are ready*

*Create a goal for yourself, what weight do you want to lose?*

*Identify your action steps – what do you need to do, clear out my fridge, book on a slimming class?*

*Track your progress, am I losing weight?*

*Resolutions have been around for many years, in Medieval times Knights took a "Peacock Vow" to reaffirm commitment to Chivalry.*

*Romans began each year with a promise to the God Janus (that's how we get January)*

*The concept of a resolution is to reflect on your self improvement but we can do so many other things to improve the way we live and the world in which we live.*

*Say Hello when you pass someone in your village or street*

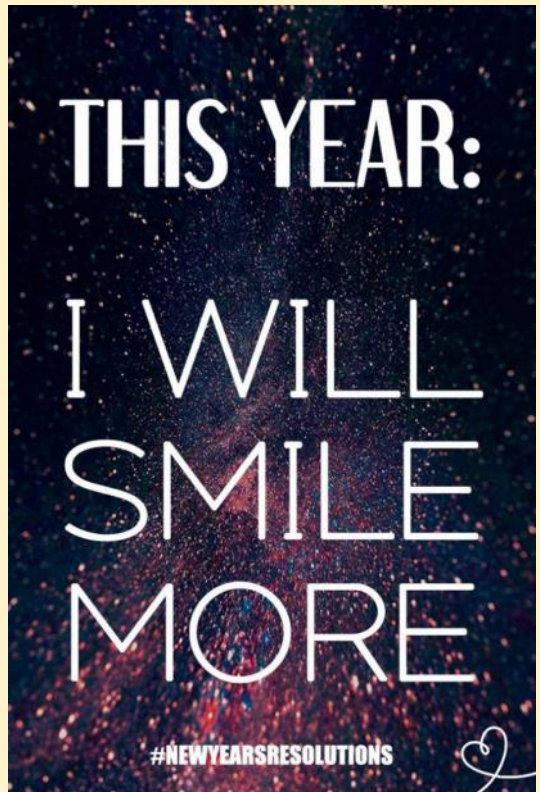

*Smile at more people*

*Make that call to someone you haven't heard from in a while*

*Check on a neighbour who lives alone.*

*So let's aim at being one of the 19% for from February, March or whenever is best for you .*

*Happy New Year !!*
