12. Community Heroes Spotlight

Volunteers for Caistor

This group of volunteers has come together to ensure residents in Caistor and the surrounding area can get support with getting essential food, toiletries and medicines. The group have supported over 40 people in the community so far and have created a basic provisions store to take in donated items.

For continuity the group matches a volunteer to a specific person or group of people so that they can keep in touch on a regular basis.

Non-perishable donations are being accepted at Caistor Town Hall between 4:30pm and 5pm each week day. The group have been supported by The Caistor Lions, Alpha Fire & Air, Morrisons, Lincolnshire Wellbeing, West Lindsey District Council and Caistor Town Council.

One of the group founders and Caistor Town Councillor, Steve Critten praised the community and volunteers.

He said: “How people in our community are pulling together at this time of need is amazing. We have received lots of donations and support from local residents and businesses. Everything we are doing is all made possible thanks to our amazing volunteers”
