

The first one is of Brattleby Parochial Mixed School far right taken in 1907 with what I think were the school houses on left. The school was built in 1871 for 40 pupils. The second one is a picture of a class group at Brattleby School. My Gt. Gt. Aunt, Sarah Coddington is on the right and her niece, Ida, Amy, Sarah Wing is the Assistant Teacher on the left, taken in 1908. Sarah Coddington was born in 1848 in Ingoldsby and died in 1919 in Grantham.
