If you can, **TRY** waiting until 12pm each day as all Supermarkets update their websites at this time and daily cancelations/alterations/changes only then reveal free slots for the next week

NOTE 2! Many independent food shops are well stocked and have no queues, especially if they are located away from the big Supermarkets!!

📦 SATURDAY COLLECTIONS 😊! 📦

OPEN 10am to 2pm

facebook

Please find below a list of all the pre-orders we are able to satisfy tomorrow. You will need all your skill to read it but hopefully your name is on there and you have got approximately what you ordered. Thank you if you have had to alter your frozen bread collection slightly but I was really not prepared for such high demand 😊.

You can still PRE-ORDER a few more Milky Bar Rocky Roads from Georgia (you are allowed more than 2 each 😊) but her Brownies and Jennie's Scones have now all sold out. I still have a few Farmhouse White plaits and rolls in the freezer if you want to pre-order those but all the fresh white bread tomorrow will be on a first come first served basis 😊.

Please only take what you have ordered. I think there was some confusion on VE celebration day and people who came later were left without. Please note there are 2 scones in each bag. I will place a list of all orders on the table so just check if you are not sure - thank you 🙏.

If you have ordered frozen bread or there is no fresh on the table then just press the button and I will pop out to get you sorted. Sorry now if I appear a bit rushed but want to keep the fresh bread production line going and my life is run by oven beepers 😊.

The donation box will be on table and I will put a sign showing suggested donations for each item to help you, although I think you know already 😊.

📦 Lastly don't forget your 2pt and 4pt milk cartons to stock up at the Dambusters beer festival across the road!! They are only open from 10am to 2pm as well and Greg & Steve will again be making a donation to our charity 📦.

Thanks as always for your incredible support. Dave.

Household waste and recycling centres will reopen in Lincolnshire,

but by appointment only, for green waste alone and with a number of social distancing restrictions.

Lincolnshire County Council has not yet released slots for its online 'click and tip' service. It expects to do so soon, for up to two weeks in advance.

Once the system is live, people wishing to use tips in the county will be required to book a time slot.

They will also be able to book a slot via 01522 552222.

INGHAM

The Tennis Court is now open for use. Please respect the social distancing guidelines and ONLY play singles.

There should only be 2 people in the court area at a time, except if you are from the same household.

Thank you for your cooperation.

Joyce Whitby

ONLINE MAGIC SHOW

A unique and interactive magic show
live from our place to yours

You may not have considered an online magic show as a form of entertainment during this difficult time, but for us as a business and pair of performers, it's about finding new and unique ways to use things like Zoom, Facebook, Skype etc. to create a novel and entertaining experience for you, no matter where you are.

Our interactive online magic shows are not just streamed – they're not like webinars, TV shows or YouTube videos – they're live, interactive and broadcast from our place to yours. They're dynamic and inter-personal, so you and your

friends, team or family, can all get involved. After all, the most fun of a magic show like ours is seeing how other people react!

In our live shows, we use physical interactions with people, and work with how they respond. We obviously can't do that or quite manage to get the same reactions using video conferencing software, but we can get close. By using things like Zoom, where we can see and hear up to 100 people at a time, we can create an interactive magic show that can recreate as much of a live show as possible, without anyone having to leave their house or office!

If you're looking for something that's different from just another Netflix binge, online quiz or watching the same TV shows, book us for an Interactive Online Magic Show! Use the four-step process on our website now at <http://www.agmagicians.com/online/>

P.S. If you'd like to learn how to create and perform your own magic, we can also use Zoom to coach and guide you from our living room or office to yours. Find out more about our Mindways Online Sessions for a greatly reduced cost during the lockdown at <http://www.mindways.com/OS/>

Ministry of Defence

NEWS RELEASE
18 May 2020

STRICTLY EMBARGOED UNTIL 00:01 TUESDAY 19 MAY
Red Arrows to stay in Lincolnshire following RAF Scampton
closure

The Red Arrows are set to stay in their home county of Lincolnshire and move to RAF Waddington after the closure of their current base RAF Scampton.

With their planned new headquarters a short distance away from their current home, the aerobatic team will still take to the skies above Scampton to practise their world-famous displays.

The Ministry of Defence will look at options for preserving the rich history of RAF Scampton after its closure. During the Second World War, the base was home to 617 Squadron which famously took part in the Dambusters raids in 1943.

A safety assessment deemed RAF Waddington to be the best possible home for The Red Arrows, and the relocation - which was first announced in 2018 - will now move into the assessment and planning stage.

The move forms part of MoD plans to invest £4billion in its estate over the next ten years, to meet military requirements with modern and efficient facilities and infrastructure.

Beers on offer will be

- 🍺 Jarl 3.8% pale

Cheers Dave 😎

CallConnect is still operating it's bookable bus service for essential journeys. We are following guidelines and limiting our capacity on our vehicles – please follow any signage on the bus to help protect our passengers and drivers by socially distancing.

Please ensure that you follow government guidance and only use public transport if you are unable to undertake your journey by walking, cycling or by car. If you need to travel by bus then please follow advice and wash your hands before and after travel, keep social distance of 2 metres and where possible wear a face covering to help reduce the transmission of Coronavirus. If you or a member of your household are displaying symptoms of the Coronavirus, please do not travel and isolate as instructed by government.

Locals may have noticed that the Book Exchange on Ingham Village green has had a well needed makeover. Sadly it had become something of a dumping ground over time to the point that books (and other

things) were being routinely thrown inside, thereby creating a pile of such proportions that visitors could hardly access the shelves. Close inspection showed that many of these items were soiled and water damaged. The concrete floor was filthy and there was a substantial point of leakage along the whole of one side at the bottom where some corrosion had occurred. Damaged books have been disposed of, the whole place cleaned out, the leaks sealed and the floor given a coat of masonry paint. A second set of shelves has been made and installed, allowing more linear footage for donations to be accommodated.

For anyone who is sufficiently interested, it was formerly a red kiosk for a public telephone designed by Sir Giles Gilbert Scott, and became a familiar sight on the streets of the United Kingdom. Despite a reduction in their numbers in recent years, the traditional British red telephone kiosk can still be seen in many places around the country including the village of Ingham. In 1935 the K6 (kiosk number six – which this one is) was designed to commemorate the silver jubilee of King George V. It was consequently sometimes known as the 'Jubilee' kiosk and went into production in 1936. Visitors are encouraged to come and borrow any of the books and also to leave any they would like to donate to the cause.

Just one request however – please don't use this community facility as a dumping ground for your unwanted stuff. Use the shelves provided and place any donations in a neat and tidy manner. If there isn't enough shelf space when you visit with donations please hold it in abeyance and come again at a later time when there may be some room for your books.

The IBEX has a Facebook page – simply search for Ingham Book Exchange on The Green. Every so often there will be details posted of various books that are on the shelves in order to encourage visitors to come and choose something to their liking.

We have some exciting news for you all!

The Lincolnshire Fryer
Local business

We are going to restart our regular villages next week but with some changes. Due to the new guidelines, for both our safety and yours we are making this a pre-order only system which will involve giving collection times for everyone. Payment needs to be either contactless payments or exact amount in cash as we will not be handling any cash to give change, this will minimise the risk for all of us.

Our operating hours will be changed whilst this lockdown continues. Our hours going forward will be from 16.30 PM to 19.00pm.

Villages will be:

Tuesday - Witham St Hughs

Wednesday - Ingham

Thursday - Alternating between Fiskerton & Sutton On Trent

Friday - Binbrook

Next week on Thursday will be Sutton on Trent with the following week being Fiskerton.

All orders can be sent either on our Facebook page via messenger or on our mobile phones before 1pm daily. Orders can be placed from the Monday for any night during that week. When placing orders please give us the following information:

- 1 - What village you are ordering for
- 2 - Your order including stating any particulars such as small or large portion, battered or plain etc
- 3 - Whether any salt or vinegar is required
- 4 - Any child's meals must state what side and what drink (fizzy or fruit shoot)
- 5 - Your payment method (exact cash or contactless card)
- 6 - Any preference to times. We will do our best to accommodate people.

By return message we will:

- 1 - Confirm your order
- 2 - Give you your total
- 3 - Give you a time to pick up your order
- 4 - An order number to quote for your collection.

We will not place your order in boxes or wrap until you arrive to ensure it stays fresh and hot in the event that you arrive early or late.

Please be aware that you are responsible for keeping your distance from others who are collecting their orders. There will be a barrier which will be in place, a one-way system is required.

Should you have ordered and for any reason you cannot pick up please inform us, so we are not cooking food to go to waste.

We thank you for your cooperation and we will do our best with orders to get them out as quickly as possible. There are also only two people working who are in the same family in order to minimise risks.

Once again please keep everyone safe by using the guidelines which have been recommended by the Government. Trevor and Wendy
