Face Masks

I have got more fabric, it's another wet weekend forecast so I can sit and sew. If anyone would like a face mask making - double thickness 100% cotton, with self tying elastic ear loops and a nose bridge. Sizes 3-5 years/7-12 years/teens/ladies/gents.

If anyone interested, £5 each covering cost of materials and a charity donation. Pm me with size and choice of material - plain colours are navy, grey and red.

Councillor donates £500 from the 'Covid-19 Community Fund Scheme' to kick off a campaign to ease children out of lockdown

LCC councillor Richard Butroid has teamed up with Scampton Church to start a campaign to raise £2,200 to engage children in an arts project about remembrance when they eventually return to school in the Autumn term.

The majority of children at Scampton Primary School and Pollyplatt

Community Primary School are currently in lock down. They will not now return to school full time until the autumn term. An educational arts,

history and remembrance project for all 200 is aimed at giving them a lift back into school life as a reality instead of a virtual life!. 'VE75 Remembrance Day will be an ideal opportunity to engage children back into reality. Many children have no concept of the sacrifices made by previous generations which enable them to live in a free and democratic country'.

Following a talk by the chairman of the Lincolnshire Lancaster Association, and under the guidance of a glazed tile designer, the children will

design and make a glazed tile each which will represent their understanding of 'remembrance'. The tiles will be joined together to make 6 framed collages one of which will be given to each school, The Dambusters Inn (village pub), RAF Scampton, The Royal Air Force Aerobatic Team (The Red Arrows) and Scampton Church

The collages will be displayed at a VE75 Remembrance Service at

Scampton Church on the 8th November 2020 and then, hopefully, again at The RAF Scampton Heritage Centre on 11th November 2020

(Remembrance Day) when all 200 children, staff, parents and carers will take part in a remembrance service in 617 squadron hanger. (Security clearance yet to be authorized' and subject to any further Covid restrictions). Both head teachers are keen to implement the project in their schools.

A raffle has been organised in an effort to raise the rest of the funds necessary (see www.scamptonchurch.org/aviationraffle).

This appeal is for anyone who would be willing to receive some raffle

ticket books to sell to make this project a reality for the children. Please contact Joe Bartrop at rafwindow@scamptonchurch.org if you can help.

🍺🍺 BEER SATURDAY AGAIN! 😊🍺🍺

Once again Greg & Steve at the Dambusters Inn are offering you a superb collection of ales and ciders to carry out tomorrow from between 10am and 2pm.

You will be able to choose from a selection of the following ;

- 🍺 Dambusters
- 🍺 One of ours
- 🍺 Moonshine
- 🍺 Jarl
- 🍺 Oakham JHB
- 🍺 Salopian lemon dream
- 🍺 Wild weather
- 🍺 Thundering molly (cider)
- 🍺 Abrahalls AM (cider)

You have to admit that this is a fantastic array of ales and ciders and for just £2.50 a pint (cash please) you can carry out in any suitable plastic container - 4pt milk containers are perfect 🍺 !

We can't thank the guys enough for offering this service and we all look forward to the time we can support them even more by joining them in the pub/garden and properly thank them for their efforts 😊.

There is a small chance I might be able to bake you some fresh bread tomorrow morning too. Just waiting to get the nod that we can pick James (my son) up from the hospital after his knee op. If he doesn't have to stay in another night (and I wake up early enough) I will let you know first thing tomorrow!

I might not be able to make much and not sure what times but if you are picking up beer there's a chance you can get some fresh bread to soak it up with 🍺🍺😊.

Cheers Dave.

CARING FOR YOUR DOG DURING WARM WEATHER

Dogs lose heat through panting, can only sweat through their paws, and are at high risk of getting heatstroke. Follow our top tips to keep your dog cool in the heat.

PROVIDE SHADE AND WATER

-  Provide constant access to shaded areas inside and out.
-  Ensure there is always cold, clean, fresh water available.

WALKIES

-  Head out in the early morning or late evening when it's cooler.
-  Don't run or cycle with your dog when it's hot.
-  Avoid pavements. If the ground is too hot to touch with your hand for a few seconds, it's too hot for paws!

KEEPING COOL

-  Prevent sunburn by using pet-safe sunscreen on ear tips and nose.
-  Brush your dog regularly to keep their coat thin and free from matts or knots.
-  Use frozen toys, paddling pools or water sprinklers to entertain and cool your dog down.

REMEMBER:

Dogs can die in hot environments.

See: rspca.org.uk/dogsinhotcars

Never leave pets in vehicles, caravans, conservatories or outbuildings in warm weather.

HEATSTROKE CAN KILL.

Know the signs of heatstroke and contact a vet immediately if you spot them: heavy panting, excessive drooling, lethargy, drowsiness, uncoordinated movements, a state of collapse and vomiting.

SCAMPTON DIGITAL BELLS APPEAL

The bells at Scampton church have not rung for many, many years. A large investment will be necessary to have the original bells restored. HOWEVER...

During the VE weekend this year Scampton church installed temporary digital bells which rang at 3pm and 7pm on VE75 Day and again at 3pm on the Sunday of the Bank Holiday weekend. The feedback from the village has been really positive with many saying that it would be amazing to have a digital system installed until the original bells can eventually be restored in years to come, The new digital system would enable church bells to be heard again in our village, on Sundays, at weddings and other special occasions.

The cost of installing the digital system is £1927.

We are willing to invest in the system but, cannot do this without your help.

Would you be willing to help fund this project by donating towards its cost?

If so please send your donation to Rev Sue Deacon Parsonage Lodge
