Face Masks

I have got more fabric, it's another wet weekend forecast so I can sit and sew. If anyone would like a face mask making - double thickness 100% cotton, with self tying elastic ear loops and a nose bridge. Sizes 3-5 years/7-12 years/teens/ladies/gents.

If anyone interested, £5 each covering cost of materials and a charity donation. Pm me with size and choice of material - plain colours are navy, grey and red.

Face covering exemptions

You **do not** need to wear a face covering if you have a **legitimate** reason not to.

This includes:

- Young children under the age of 11
- Not being able to put on, wear or remove a face covering because of a physical or mental illness or impairment, or disability
- If putting on, wearing or removing a face covering will cause you severe distress
- If you are travelling with or providing assistance to someone who relies on lip reading to communicate
- To avoid harm or injury, or the risk of harm or injury, to yourself or others
- To eat or drink, but only if you need to
- To take medication
- If a police officer or other official requests you remove your face covering

There are also scenarios when you are permitted to remove a face covering when asked:

- If asked to do so by shop staff for the purpose of age identification
- If speaking with people who rely on lip reading, facial expressions and clear sound.
- Some may ask you, either verbally or in writing, to remove a covering to help with communication

Kura Thai -Thai Food Takeaway - Ingham

Krua Thai's dish of the week is the fabulous 🍄🍄...Pad Med Ma Muang...🍄🍄 or Stir Fried with Cashew nuts and homemade tamarind sauce. (On the menu no 14) It's a very simple dish that's become a staple for Thais and Foreigners alike. The ingredients are easy to find all over the world. It is not an original Thai dish. It's from the Sichuan Chinese dish call Kung Po. The Thais changed the nuts from peanuts to cashews. This dish is most often cooked with chicken for meat eaters, but can do a vegetarian/ vegan version which retains the delicious flavours and nutrition.

A wonderful addition to any order, and eating it evokes memories of eating Thai street food in the hustle and bustle of Bangkok

SCAMPTON DIGITAL BELLS APPEAL

The bells at Scampton church have not rung for many, many years. A large investment will be necessary to have the original bells restored. HOWEVER...

During the VE weekend this year Scampton church installed temporary digital bells which rang at 3pm and 7pm on VE75 Day and again at 3pm on the Sunday of the Bank Holiday weekend. The feedback from the village has been really positive with many saying that it would be amazing to have a digital system installed until the original bells can eventually be restored in years to come, The new digital system would enable church bells to be heard again in our village, on Sundays, at weddings and other special occasions.

The cost of installing the digital system is £1927.

We are willing to invest in the system but, cannot do this without your help.

Would you be willing to help fund this project by donating towards its cost?

If so please send your donation to Rev Sue Deacon Parsonage Lodge
